Dear Prof. Chang,

This is to inform you that the journal has been accepted for coverage in the *Science Citation Index (SCI)* and *Current Contents/Physical, Chemical & Earth Sciences* beginning with the first issue of 2002. Coverage will also continue in the *Chemical Citation Index (CCI)*, *Materials Science Citation Index (MSCI)* and the *Science Citation Index Expanded (SCIE)*.

If you have any further questions, please do not hesitate to contact me.

Sincerely,

Rodney Chonka
